FIELD DAY WAS SO EXCITING! On Wednesday, February 23, “biggs” were paired up with “littles”, the sun was shining, everyone was smiling, the organization by our Physical Education team was effective, efficient and very creative, and parents and teachers worked together to run over 30 **field day** activities...the most ever! Our catering department also helped to make it possible by rearranging their lunch schedules so that the students could be done in plenty of time to insure a smooth afternoon dismissal. Students worked to meet the challenge to participate in at least 25 of the 30 options in 90 minutes. The Middle School gym and field were the perfect venue for the event. Congratulations to one and all. Our PE team enjoyed the support of the whole school and wrote:

"We would like to extend a huge thank you to everyone for being such terrific DWITs (those who Do Whatever It Takes) and for helping to make Field Day a tremendous success.

With much respect and appreciation,

Your PE Team...Coach Chumbley, Coach Heller, Coach Kathy, Coach Kava, Coach Romero and Coach Starkey”

SPANISH VISITORS ARRIVE!!! IDS is proud to welcome back students from Madrid’s wonderful school, Colegio Ramon Y Cajal. Ten students and three teachers were warmly and enthusiastically greeted by IDS host families at the airport on Tuesday night after a long flight from Spain. Our guests will be here until March 11, 2011.

The Headmaster of Ramon Y Cajal sent IDS a lovely letter to share with you.

Some of our students are about to arrive to your school and I would like to take this opportunity to express the immense satisfaction we feel to be able to count on your friendship and affection.

During the last few years many from Ramón y Cajal have visited IDS and the comment is always unanimous made by all, is that IDS is exceptional and that just as exceptional as the school is all of you that are part of it are even more exceptional as I was able to experience a few years ago during my very own visit.

From Madrid, Spain, I would like to say thank you for how you welcome our kids. I would like for you to send my gratitude to the families; who for a while now have been hosting them with love and excitement. Your families host in such a way that their return to Spain presents to them such sadness since they feel great with their American families.

From a distance, I would like to tell you that you are an example and a model for us and many times you are the mirror we look at in order to improve day by day.

Also, this year since your students will be spending some days at Ramón y Cajal; we would like to have the opportunity to express to you how much we love you and how much we value you. It is my wish for this friendship, affection and respect to continue for many, many, more years.

With all my affection and waiting to see you soon, I am sending a hug to all of you,

Mariano Sanz Montesa, Headmaster, Colegio Ramon Y Cajal

THESPIAN TROUPE 88622 SCORES BIG AT STATE COMPETITION coached and led by Middle School Teachers Extraordinaire Mrs. Sheri Whittington, Mrs. Barbara McBride, Mrs. Jeanne Rivera and Mr. Michael Vokoun.

Friday, February 11th and Saturday, February 12th twenty-seven talented middle school students took a trip over to Melbourne, Florida, to compete against **1,800** other middle school students in the **Florida Jr. Thespian State Competition**. Mrs. Whittington stated, *"I was so impressed with how our students stood out from the crowd. They were very professional and showed the hard work that they had put in all year."* We were named Troupe 88622 and we competed with a one act play, one technical category, and ten performance acts and earned two superior scores and nine excellent scores. This was a proud moment for our school given the depth of talent from around the state.

Congratulations to seventh grader Jonah Kornberg who was singled out as part of an all-star cast. This year the state competition staff decided that they would award one star standout from each of the one act plays, and Jonah received the honor.

The Thespian team wants to thank all of the parents who drove to the competition and helped with caring for and chaperoning our students. With their help, we all worked together to make sure the students were rested, prepared, and prompt. Thank you so much!

Congratulations to all of our Thespians!

Summer Institute for the Gifted

Beginning in the summer of 2011, Independent Day School-Corbett Campus will host the Summer Institute for the Gifted (SIG). This program is conducted by the National Society for the Gifted and Talented, a not-for-profit organization created to honor and encourage gifted and talented children and youth.

Students participating in the program choose three courses, selecting from nearly 30 academic, art and recreational classes that meet daily. SIG will be housed in the new IDS middle school facility with state-of-the-art, 21st century classrooms and equipment.

Interested families may attend an Open House, March 5 at 1 p.m. at IDS.

Brochures, scholarship information, and materials about the new program at Independent Day School are available by calling SIG at (866) 303-4744 ext. 5159, or by e-mail at sig.info@giftedstudy.org.

Visit SIG on the web at www.giftedstudy.org to apply online or for more information.

Details are also available on the IDS website at www.giftedstudy.org/day/independent/index.asp.

ADRENALINE CAMP

July 5 through July 8 - This camp is exclusively for Middle School students (incoming and graduating included) who are taller than 54". Parents are also welcome. How many roller coasters can you ride in a week? If you are the type of person who would live on a roller coaster if they had the chance, then this camp is for you. Join Mr. Bronson on a roller coaster connoisseur tour of the Eastern United States. Definite stops include: Carowinds, Kings Dominion, Hershey Park, Cedar Point, and Six Flags Over Georgia. Potential stops (based on time): Busch Gardens Williamsburg, Kennywood, and King's Island. Cost: \$1200

COSTA RICA OUTWARD BOUND ADVENTURE CAMP

June 11 through June 20 - This is a camp exclusively for graduating 8th graders and current high school students. Join Mr. Bronson on the trip of a lifetime to Costa Rica. The trip is run by Outward Bound and is only for those who love adventure and adrenaline. The trip begins with a hike to the top of Costa Rica's tallest active volcano and gets more exciting from there. There is a zip line canopy tour with speeds reaching 55 mph. There is surfing on one of the world's most famous surfing beaches and white water rafting with level III, IV, and V rapids. The trip concludes with a rappel down a 150' waterfall. Two added bonuses: Because the trip is run by Outward Bound, students will be able to practice their Spanish skills with a bilingual guide. Also, students will be able to earn community service hours by helping out on a farm where we will be staying. Cost: \$2000

August 1 through August 6 - This camp is exclusively for Middle School students (incoming and graduating included). Parents are also welcome. Back for a second season, this camp is fun and educational. SCUBA diving is a sport and hobby that is enjoyed by all ages and Mr. Bronson wants you to begin experiencing it as soon as possible. Students will get certified through NAUI, do their check-out dives, and then head to the Florida Keys for some of the best diving in the world. The camp includes all classroom work, transportation, housing, and food and drink while we are in the Keys. As one SCUBA Camp attendee said last year, "This is easily one of the best IDS trips ever."
