

Summer Institute for the Gifted Comes to Independent Day School: Corbett Campus

IDS to host leading national program for gifted learners.

April 25, 2011 (TAMPA, Fla.) – Independent Day School: Corbett Campus will host the **Summer Institute for the Gifted (SIG), one of the nation’s leading gifted summer programs**, beginning in the summer of 2011.

The program at Independent Day School will run from July 18 through Aug. 5 and will be open to academically gifted and talented students ages 6 to 14. Students participating in the program choose three courses, selecting from nearly 30 academic, art and recreational classes that meet daily.

“Because it combines academics, social, cultural and recreational opportunities, SIG offers an excellent, well-rounded summer program for gifted students,” said Kate Vieillard, SIG academic program director. “We are proud to host our program at this innovative independent school in Tampa and anticipate it being one of our most popular.”

Independent Day School was founded by two of the state’s first teachers trained in gifted education. Forty two years later, the school maintains its focus on gifted education with all IDS teachers and administrators having earned gifted education endorsement.

The SIG program at Independent Day School begins daily at 8:30 am and concludes at 4 pm with extended drop-off and pick-up times available.

Interested families can receive brochures, scholarship information and materials about the SIG program at **Independent Day School, 12015 Orange Grove Drive, Tampa, Florida 33618-3699**, by calling SIG at (866) 303-4744 ext. 5159, or by e-mail at sig.info@giftedstudy.org.

Visit SIG on the web at www.giftedstudy.org or IDS at www.giftedstudy.org/day/independent/index.asp.

Founded in 1968, Independent Day School: Corbett Campus is a fully accredited, nonsectarian private school located on Orange Grove Drive in northwest Hillsborough County with over 500 students from PreK3 through 8th grade. At IDS, all children experience the International Baccalaureate Programme in a highly academic and nurturing environment focused on excellence and excitement in learning. IDS-CC has become recognized as an exemplary school with over 6,500 visitors observing and learning from IDS-CC teachers.
