

# Support the IDS-CC PFA: At Work for You in 2010 - 2011

Here are the top seven ways you can make your dollars do double duty for IDS!

**1.** Target will donate 2% of the money spent in their stores and online by those who have a Target credit or check card. Simply sign-up for a card, and register as an IDS supporter at [www.target.com](http://www.target.com) today!

**2.** Donate any of the following: cell phones, laptops, jewelry (silver or gold), digital cameras, & video cameras, and MP3 players to a special box in the office. IDS will receive up to \$350 per working item turned in, and YOU get a tax deductible donation receipt.

**3.** Cash 4 Class brought \$10,000 to IDS last year thanks to your help! We'd love to do it again, so be on the look out for the announcement of the contest dates and rules for this year.

**4.** Install the ShopBest toolbar on your computer to receive points that can be converted to cash for you AND for IDS! As you shop at participating sites, such as target.com, the toolbar keeps track of the points that you have earned and matches those to your chosen non-profit. It's a win-win! To install the toolbar, simply go to [www.ShopBestCares.org/IDS](http://www.ShopBestCares.org/IDS) for directions and information.

**5.** SCRIP is a program through which IDS-CC parents can purchase gift cards for all your shopping needs while benefitting the school at the same time. Simply contact the office to purchase cards to use as you would cash for food, entertainment, and shopping. A percentage of every Scrip dollar you spend comes back to the school as revenue!

**6.** Collect Box Tops from all participating products. Each box top brings ten cents to IDS, and those add up quickly! Tell your friends and family to save them for you, and turn them into the office. Throughout the year, many products will offer bonus box tops! You can also shop through the Box Tops Marketplace ([www.boxtops4education.com](http://www.boxtops4education.com)) to earn MORE money for IDS.

**7.** Try out a new computer application called The Shopping Genie. This application appears on top of your Google screen (like a mini pop-up window) and shows you the best deals on the web for whatever product you have searched for in Google. For each click that you make in that window, IDS receives profits! If you are just window shopping or looking for information before buying the item in-person at a local store, IDS still receives profits from your browsing! You can even give the Genie App away to your friends, family and colleagues. Immediately, they can find the best deals on millions of products using the patented power of the Genie. Each time they search and click, **WE raise money for IDS!** It's that easy. Simply go to [www.idsyses.fundraisingandthegenie.com](http://www.idsyses.fundraisingandthegenie.com) for installation directions.

Let's work together so that the dollars that we are already spending can benefit IDS!

If you have ANY questions, feel free to contact Vanessa Minick, the PFA Fundraising Project Manager, at [vminick@hotmail.com](mailto:vminick@hotmail.com) or (813) 629-1630.
