# Welcome

to the Community School of the Arts at Independent Day School-Corbett Campus. Participating in the arts can be one of life's most joyful experiences. Our CSA students prove that each and every session! Research shows that sustained involvement in the arts provides numerous intrinsic benefits. The arts promote cognitive development, health benefits, positive growth in behavior and attitude, and strong, long-term connections with the arts community.

The Community School of the Arts has programs ranging from guided exploration for young children, traditional classes and lessons, innovative seminars, and numerous performing opportunities. **Note the four sections offered in this brochure: 1) Visual Art Classes; 2) Musical Theatre; 3) Music Classes; 4) Dance Classes.**

Come, discover your creative genius.

## Study Options

**PRIVATE LESSONS:** The one-on-one contact between teacher and student in the traditional private lesson, allows the instruction to be catered to the student's unique needs. This is the best choice for motivated students at any level of experience. Private lessons are scheduled once each week for thirty minutes. (\$360 per trimester)

**PAIR LESSONS:** Two students and a teacher meet for thirty minutes once each week in pair lessons. This arrangement offers the flexibility of allocating part of the lesson to each student, working with both students together, and having the students coach each other under the direct supervision of a teacher. The social aspect of pair lessons is motivating to many students. (\$250 for each student per trimester)

**CLASS LESSONS:** Small groups of students work with the teacher and each other in group lessons. The teacher sets the pace for each student. Older, more advanced students build their mastery by coaching younger, less experienced students. This provides an ideal, introductory experience for many students. (\$150 per trimester)

## Musical Theatre

**CATS**- Based on the universally popular poetry of T.S. Eliot, CATS tells the story, in song and dance, of the annual gathering of Jellicle cats at which time one special cat is selected to ascend to the Heaviside layer. A true musical theatre phenomenon, CATS opened at London's New London Theatre on May 11, 1981 and ran for a record-setting 21 years. CATS's London success was nearly matched on Broadway where it ran at the Winter Garden Theatre for just over 18 years.

## Spring Dance Recital Costumes

Costumes enhance our recital and inspire our children to grow their love for dance and for performing. Costumes are \$60 for each class in which your child is enrolled.

- For example, if your child takes two dance classes then your costume fee is \$120. Costumes are ordered in January due to the high volume of dance school orders throughout the country.

This assures us that all costumes will ship to IDS in time for our show. Once your child is registered for Trimester 2, you are responsible for the costume payment along with the class payment.

**By Signing up for Trimester 2, your child will also need to sign up for Trimester 3 and participate in the CSA Dance Recital on May 19, 2012.**

**Trimester 2 tuition includes the costume fee for the Dance Recital on May 19<sup>th</sup>!**
