For immediate release: October 19, 2009

The 15th annual IDS Kids Classic Golf Benefit took place on Monday, October 19, 2009, at the Avila Golf & Country Club in Tampa. The yearly golf tournament benefited the students of Independent Day School-Corbett Campus (IDS-CC) and provided an ideal opportunity to network with IDS-CC parents and friends. The spectacular day began with perfect, sunny weather and a nice breeze, which made for a lot of happy people.

Each foursome participated in a modified scramble format that included a round of golf, lunch, dinner, a player gift package and drinks and snacks. The evening social, attended by both golfers and IDS supporters included a delicious grilled dinner, silent auction and other fun activities that were planned by the terrific golf committee.
